

**REMARKS/ARGUMENTS**

Favorable reconsideration of this application is requested in view of the amendments above and the following remarks.

Claims 2 and 5-10 were rejected under 35 U.S.C. 102(b) as being anticipated by Andrews. However, the Examiner indicates in the Office Action that this rejection can be overcome by limiting the composition recited in claims 2 and 5-10 to "consisting essentially of." Claim 2 has been limited as set forth above to "consisting essentially of." Claims 5-10 depend from claim 2 and therefore also include this limitation. Applicant believes that the application is now in condition for allowance and respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

Date: 12/27/2004
